

# Sustainability Declaration RaySafe X2

## RoHS

Unfors RaySafe AB hereby declares that RaySafe X2 fulfills the RoHS 2 Directive and does not contain any substances restricted therein, unless they are exempted in a specific application. For additional details, see RaySafe X2 Declaration of Conformity

## REACH

The REACH regulation requires Unfors RaySafe AB to provide chemical content information for Substances of Very High Concern (SVHC) if they are present above 0.1% of the product weight.

RaySafe X2 contains components with the following restricted substances in a concentration that may exceed 0.1% of the components weight:

Substance	CAS number	Comment
Lead	7439-92-1	Used in soldering paste inside the components and in copper alloy in cables, which are permitted exempted uses under the RoHS directive.
2-methyl-1-(4-methylthiophenyl)-2-morpholinopropan-1-one	71868-10-5	Used in cover coating in a component inside the product

The components are not user accessible.

## California Proposition 65

Unfors RaySafe AB hereby declares that RaySafe X2 does not expose users to chemicals known to the State of California to cause cancer, birth defects or other reproductive harm, when used in accordance with the accompanying product documentation. For additional details, see [RaySafe X2 Instructions for Use](#) and [RaySafe X2 Installation & Service Manual](#).

Unfors RaySafe AB continuously monitors applicable directives and regulations for updates to their respective substance lists.

The information above is valid as of 2020-08-21
