

**RaySafe X2 Trade-In 20 Promo 2025**  
**End User Customers**

**TERMS & CONDITIONS**

1. Description of Promotion:

In this promotion (the “Promotion”), which is governed by these terms and conditions (the “Terms and Conditions”), eligible end user customers of Fluke Electronics Corporation and affiliate companies in respective regions (“Sponsor”), in each case transacting under the RaySafe brand, may Trade-In (defined below) any RaySafe Old Product (defined below) or Similar Product (defined below) with a Fluke Health Solutions representative or authorized distributor and receive the discount off the list price for a RaySafe replacement product (“Replacement Product”) specified in Appendix A (the “Discount”) during the Promotion Period (defined in Section 3 below). Appendix A is incorporated herein by reference and made a part of these Terms and Conditions as if fully set forth herein.

These Terms and Conditions are a binding contract between you and Sponsor regarding the Promotion. Before participating in the Promotion, each customer must review and agree to be bound by these Terms and Conditions. By participating, you represent that you have reviewed the Terms and Conditions, agree to be bound by them, satisfy all the eligibility requirements, and accept the decisions of the Sponsor in all matters relating to the Promotion as final and binding.

For purposes of this Promotion, the terms Trade-In, Old Product, and Similar Product are defined as follows:

- *“Trade-In”* means sending an Old Product or a Similar Product to Sponsor or sending an Old Product or a Similar Product to an authorized Fluke Health Solutions representative or distributor, who will send the Old Product or the Similar Product to Sponsor. Sponsor reserves the right in its sole and absolute discretion to determine whether any Old Product or Similar Product qualifies for Trade-In under the Promotion.
- *“Old Product”* means RaySafe obsoleted/discontinued products. The Old Product must be traded-in for a Replacement Product with a similar application. For example, an old RaySafe Xi must be traded-in for a replacement RaySafe X2.

Example “Old Product” Trade-in units	Eligible Purchase
RaySafe Xi	RaySafe X2

- *“Similar Product”* means a product from another vendor that has a similar application to a RaySafe product. To qualify for the Trade-In under the Promotion, the Similar Product must have an application that is similar to the Replacement Product that will replace it. Sponsor shall determine, in its sole discretion, the appropriate Replacement Product based on the brand, model, and serial number of the Similar Product provided.

2. Eligibility:

This Promotion is open only to eligible participants where the promotion is legally permitted and not restricted or prohibited by law. Participation is available to end user customers located in the United States.

Participants must be at least 18 years of age or the age permitted by law to participate. The promotion is designed for end users who use the Eligible Products (as defined in Appendix A) for their own business purposes.

Employees, directors and officers of Sponsor, its parent companies, affiliated companies, subsidiaries, distributors, representatives, and those persons’ immediate families (parents, siblings, children and spouse) and persons living in

the same household (whether related or not) are not eligible to participate in the Promotion. Further, no employees, officers, directors, representatives or agents of Sponsor's distributors or competing tool manufacturers are eligible to participate in the Promotion.

3. Promotion Period:

The promotion period starts at 12:00 AM US Pacific Time on August 4, 2025 and ends at 11:59 PM US Pacific Time on November 21, 2025 (the "Promotion Period"). US Pacific Time shall control for all purposes of the Promotion. Sponsor's computer shall be the official time-keeping device for the Promotion.

4. Other Restrictions and Limitations of the Promotion:

The customer or authorized distributor will receive the Discount off the manufacturer's regional list price for the Replacement Product from a Fluke Health Solutions representative during the Promotion Period. Authorized distributors should pass the benefit of the promotional offer to the end customer. Authorized distributors are free to provide additional discounts to end customers.

Each Old Product or Similar Product traded-in will be eligible for one Discount on its respective Replacement Product. *In no event will an Old Product or Similar Product qualify for more than one application of the Discount.*

1. For each eligible product that a participant sends in for trade-in the participant will receive a discount on the purchase of one new product from the Sponsor. Specifically, a one-to-one trade-in will result in a discount on one new product. Similarly, if a participant trades in five products, they are eligible for a discount on five Discounted Products. The discount applied to each Discounted Product will correspond to the number of Traded Products sent in.

The discount cannot be applied retroactively and must be used at the time of the qualifying transaction. Discounts are non-transferable and cannot be exchanged for cash or other forms of credit. All trade-ins are subject to verification and approval by the Sponsor in its sole discretion. Additional terms and conditions may apply.

The Sponsor reserves the right to modify, alter, or cancel the tiered discount structure at any time without prior notice, subject to applicable law. Changes to the trade-in discount structure will not affect trade-ins that have already been accepted and processed by the Sponsor prior to the date of any such change.

The Promotion is only available as a discount to the list prices of the Replacement Products listed on Appendix A. The Discount available under the Promotion cannot be used in conjunction with any end customer contract or special pricing, or be combined with any other discounts, coupons, credits, rebates or other special offers from the Sponsor. The Discount available under the Promotion also cannot be transferred or otherwise redeemed for alternative products, services or credits except as expressly authorized in these Promotion Terms and Conditions.
